SUBJECT INDEX TO VOLUME X

(B.B.) = Bookshelf Browsing. (Bi.B.) = Biographical Brevities. (B.R.) = Book Review. (E.) = Editorial.

Abdominal wall, fistulae of, 493
Adenocystoma, malignant papillary, of right ovary, with metastasis to cervix, 352
Alcohol injection of nerve roots for thrombo-angiitis obliterans, 107
Allergy following rectal administration of quinine—alcohol—ether in labor, 53
American Journal of Surgery's Contribution to Radiology in 1930 (E.), 583
Anastomosis, bilateral uretero—sigmoid, by Coffey method, 245
  gastro-intestinal, closed aseptic and quick method of, 35
Anatomy, handbook of (B.R.), 384
Anemia, marked secondary, prolapse of gastric polyp into duodenum with, 355
Anesthesia for cardiac and asthenic patient, 469
  combination, with sodium isoamyl ethyl barbiturate as basal agent, 300
  regional, as applied to urological surgery, 325
Anus and rectum, benign lesions of, 255
  carcinoma of, 547
Aphasia in children (B.R.), 383
Apparatus, pneumothorax, one-man, 140
Appendicitis, chronic, ulcer, peptic, and, differential diagnosis of, 274
Appendix, diverticula of, 564
Arthritis, chronic, of the spine, manipulative treatment of, 285
Arthrodesis, operative, of the spine, 341
Asthenic, and, cardiac patient, anesthesia for, 469
Attachment improved foot support, for Thomas Splint, 562
Avulsion, traumatic, of tibial tubercle, 577

Bacilluria, tuberculous, observations on the pathology of surgical tuberculosis with particular reference to incidence of, 514
Bandaging, minor surgery and (B.R.), 384
Barbiturate sodium isoamyl ethyl as basal agent, combination anesthesia with, 300
Benign lesions of anus and rectum, 255
  papilloma of renal pelvis, 576
  tumors of hepatic flexure, 573
Bilateral uretero-sigmoid anastomosis by Coffey method, 245
Bladder tumor pathology, clinical application of, 67
  urinary, consideration of surgical procedures in treatment of malignant disease of, 69
Bloodless modification of Porro-Cesarean section, 209
Bodies, foreign, localization and extraction of (E.), 159
Bone sarcoma, *x*-ray diagnosis of, by mail (E.), 157
Bowel, the, how waves go down, 444
Breasts, pendulous, correction of, 80
Burns (B.R.), 166

Calcification, chemistry and physiology of, 530
Calcium fixation, some observations in, 294
Calculi, giant bilateral ureteral, 362
Campiodol, emulsified—a new urographic medium, 320
Carcinoma of anus and rectum, 547
  of cervix uteri with special reference to its occurrence in early life, 150
Carcinomatous degenerations of cervical polyp, 136
Cardiac and asthenic patient, anesthesia for, 469
Cervix (ces), lacerated post-partum, in primipara, technic of routine primary repair of, 557
  metastasis to, malignant papillary adenocystoma of right ovary, with, 352
  uteri, carcinoma of, with special reference to its occurrence in early life, 150
Chemistry and physiology of calcification, 530
Children, aphasia in (B.R.), 383
  urology in, 358
Chirurgie, die (B.R.), 166
  die (B.R.), 382
Chronic nasal sinusites and its relation to general medicine (B.R.), 166
Clinical application of bladder tumor pathology, 67
  study of abdominal cavity and peritoneum, 167, 385, 597
Clio Medica (B.R.), 590
Closed aseptic and quick method of gastrointestinal anatomosis, 35
Club-foot, congenital (B.R.), 166
Coffey method, bilateral uretero—sigmoid anastomosis by, 245
Colon, diverticulitis of, 63
Colonic therapy, 496
Combination anesthesia with sodium isoamyl ethyl barbiturate as basal agent, 300
Complete accidental cutting of ureter during laparotomy with non-surgical anastomosis, 571
Complications following use of gold spring pessary, 143
Congenital club-foot (B.R.), 166
Consideration of surgical procedures in treatment of malignant disease of urinary bladder, 69
Contusions, fractures, lacerations and their relation to disability, 56
Correction of pendulous breasts, 80
Cysts, bilateral ovarian, pregnancy with, 338

Danger of prolonged use of Lugol's solution in treatment of exophthalmic goiter, 475
Diabetes mellitus, pathology of (B.R.), 383
Diagnosis, differential, of peptic ulcer and chronic appendicitis, 274
  and treatment of tuberculosis of genital tract, 84
  x-ray, of bone sarcoma by mail (E.), 157
Diaphragm, roentgen significance of gas under, 93
Diathermy, electro-surgery and, status of, in treatment of diseases of genitourinary tract, 116
Dictionary, practical medical (B.R.), 382
Diet after operations on the stomach, 448
Differential diagnosis of peptic ulcer and chronic appendicitis, 274
Disability, relation of, to fractures, contusions, lacerations, 56
Diseases of digestive system, practical treatise on (B.R.), 593
  of genitourinary tract, treatment of, present status of electrosurgery and diathermy in, 116
  malignant, treatment of, of urinary bladder, consideration of surgical procedures in, 69
  of the skin (B.R.), 382
Dislocation, congenital, of the hip, early treatment of, at the Istituto Ortopedico Rizzoli (E.), 369
Diverticulitis of colon, 63
Diverticula of the appendix, 564

Differential diagnosis of peptic ulcer and chronic appendicitis, 274
Disability, relation of, to fractures, contusions, lacerations, 56
Diseases of digestive system, practical treatise on (B.R.), 593
  of genitourinary tract, treatment of, present status of electrosurgery and diathermy in, 116
  malignant, treatment of, of urinary bladder, consideration of surgical procedures in, 69
  of the skin (B.R.), 382
Dislocation, congenital, of the hip, early treatment of, at the Istituto Ortopedico Rizzoli (E.), 369
Diverticulitis of colon, 63
Diverticula of the appendix, 564

Duodenum, prolapse of gastric polyp into, with marked secondary anemia, 355

Early treatment of congenital dislocation of hip at the Istituto Ortopedico Rizzoli (E.), 369
Electrosurgery and diathermy, present status of, in treatment of diseases of genitourinary tract, 116
as a hemostatic instrument in operations upon liver, kidney and spleen, 540
Elementary zoology for medical students (B.R.), 384
Emergency surgery (B.R.), 591
Empyema, chronic, surgical treatment of, 472
Encyclopaedia Britannica (B.R.), 164
Enterostomy, primary, perforated typhoid ulcer closed by, 149
Eventration, postoperative, 78
Exteriorization and utilization of sac and redundant peritoneum in radical treatment of inguinal hernia, 130
Extraction, localization and, of foreign bodies (E.), 159

Fiftieth jubilee of the social and scientific activity of the Emeritus Professor of Surgery, V. I. Razumovsky (B.B.), 378
Fistulae of the abdominal wall, 493
Foramen of Morgagni (Bi.B.), 161
Forceps, skin clip, 350
Fracastorii, Hieronymi (B.R.), 594
Fractures, contusions, lacerations and their relation to disability, 56

Gas, roentgen significance of, under the diaphragm, 93
Genital tract, tuberculosis of, diagnosis and treatment of, 84
Genitourinary tract, treatment of diseases of, present status of electrosurgery and diathermy in, 116
Giant bilateral ureteral calculi, 362
Goiter, exophthalmic, danger of prolonged use of Lugol's solution in treatment of, 475
surgical, 482
Graft, ovarian, in the uterus, 305
Gynecology, operative (B.R.), 594
text-book of (B.R.), 592

Handbook of anatomy (B.R.), 384
Hemangiomata of intestine, 241
Hematocele, infected pelvis, containing fetal bony elements, 581
Hemihypertrophy, progressive facial, reconstructive surgery in, 439
Hemorrhoids, 344
Hemostatic instrument, electrosurgery as, in operations upon liver, kidney and spleen, 540
Hepatic flexure, benign tumors of, 573
Hernia, inguinal, exteriorization and utilization of sac and redundant peritoneum in radical treatment of, 130
Hickey, Preston M. (E.), 585
Hip, early treatment of congenital dislocation of, at Istituto Ortopedico Rizzoli (E.), 369
Histology for medical students (B.R.), 383
Historic artificial limbs (B.R.), 591
Holder, skin clamp, 142
How waves go down the bowel, 444
Hypernephroma, papilloma and stone occurring in horse-shoe kidney, 487

Improved foot support attachment for Thomas splints, 562
Infected pelvic hematocele containing fetal bony elements, 581
Injection, alcohol, of nerve roots for thrombo-angiitis obliterans, 107
treatment of varicose veins, 19
Instrument, hemostatic, electrosurgery as, inoperations upon liver, kidney and spleen, 540
Interpretation of double ureters, 122
Intestinal toxemia (B.R.), 593
Intestine, hemangiomata, 241

Kidney, horse-shoe, hypernephroma, papilloma and stone occurring in, 487
Koher, George Martin, reminiscences of (B.R.), 383

Labor, allergy following rectal administration of quinine-alcohol-ether, in, 53
Laboratory medicine (B.R.), 609
Lacerations, fractures, contusions, and their relation to disability, 56
Laparotomy with non-surgical anastomosis, complete accidental cutting of ureter during, 571
Lead poisoning and the eighteenth amendment, 32
Leaders, medical (B.R.), 382
Lehrbuch der chirurgie (B.R.), 595
Lesions, benign, of anus and rectum, 255
Limbs, historic artificial (B.R.), 591
Localization and extraction of foreign bodies (E.), 159
Lugol's solution, danger of prolonged use of, in treatment of exophthalmic goiter, 475

Malignant papillary adenocystoma of right ovary with metastasis to cervix, 352
Manipulative treatment of chronic arthritis of the spine, 285
Mediastinum, superior and posterior, roentgenological study of, 452
Medical leaders (B.R.), 382
students histology for (B.R.), 383
Medicine, general, chronic nasal sinusites and its relation to (B.R.), 166
laboratory (B.R.), 592
Method, Coffey, bilateral uretero—sigmoid anastomosis, 245
Mommsen's, of submaximal stimulation for tibial pseudoarthrosis, 366
new, of blood vessel visualization (arteriography; veinography; angiography) in vivo, 225
Midwifery, practical, for nurses (B.R.), 594
Minor surgery and bandaging (B.R.), 384
Mommsen's method of submaximal stimulation for tibial pseudoarthrosis, 366
Morgagni, foramen of (Bi.B.), 161
Murphy button (Bi.B.), 377

Nerve roots, alcohol injection of, for thrombo—angiitis obliterans, 107
Nervous system, sympathetic, surgery of, 8
New method of blood vessel visualization (arteriography; veinography; angiography) in vivo, 225
surgical tourniquet, 349
urographic medium: emulsified campiodol, 320

Observations on pathology of surgical tuberculosis with particular reference to incidence of tuberculous bacilluria, 514
Obstetrics (B.R.), 384
outline in, for nurses (B.R.), 595
One-man pneumothorax apparatus, 140
Operations upon liver, kidney and spleen, electrosurgery as hemostatic instrument in, 540
Operative arthrodesis of the spine, 341
gynecology (B.R.), 594
Orthopedic surgery, treatise on (B.R.), 383
Outline in obstetrics for nurses (B.R.), 595
Ovarian graft in the uterus, 305
Ovary, right, malignant papillary adenocystoma of, with metastasis to cervix, 352

Paleopathology, studies in, XXVIII (B.B.), 587
Papilloma, benign, of renal pelvis, 576
hypernephroma, and stone occurring in horse-shoe kidney, 487
Pathology, bladder tumor, clinical application of, 67
of diabetes mellitus (B.R.), 383
of surgical tuberculosis, observations on, with particular reference to incidence of tuberculous bacilluria, 514
Pelvis, renal, benign papilloma of, 576
Perforated typhoid ulcer closed by primary enterostomy, 149
Peritoneum, clinical study of abdominal cavity, and, 167, 385, 597
redundant, and sac, exteriorigation and utilization of, in radical treatment of inguinal hernia, 130
Pessary, gold spring, complications following use of, 143
Physicians and surgeons and their mutual relations, 1
Physiology, chemistry, and, of calcification, 530
Poisoning, lead, and the eighteenth amendment, 32
Polyp, cervical, carcinomatous degeneration of, 136
gastric, prolapse of, into duodenum, with marked secondary anemia, 355
Porro-Cesarean section, bloodless modification of, 299
Postoperative eventration, 78
Practical medical dictionary (B.R.), 382
midwifery for nurses (B.R.), 594
treatise on diseases of digestive system (B.R.), 593
Pregnancy with bilateral ovarian cysts, 338
Present status of electrosurgery and diathermy in treatment of diseases of genitourinary tract, 116
Prolapse of gastric polyp into duodenum with marked secondary anemia, 355
Pseudoarthrosis, tibial, Mommsen's method of submaximal stimulation for, 366

Radiations, ultraviolet, and their uses (B.R.), 166
Radiology, American Journal of Surgery's Contribution to, in 1930 (E.), 583
theory and practice of (B.R.), 591
Third International Congress of,—Paris, July 27–31, 1931 (E.), 375
Razumovsky, V. I., fiftieth jubilee of the social and scientific activity of the Emeritus Professor of Surgery (B.B.), 378
Reconstructive surgery in progressive facial hemihypertrophy, 439
Rectum, anus and, benign lesions of, 255
and carcinoma of, 547
Regional anesthesia as applied to urological surgery, 325
Reminiscences of George Martin Koher (B.R.), 383
Repair of lacerated post-partum cervices in primipara, technic of, 557
Rickets, suggestion of, in the Pleistocene (B.B.), 162
Roentgen significance of gas under the diaphragm, 93
Roentgenological study of the superior and posterior mediastinum, 452
Rose and Carless' manual of surgery for students and practitioners (B.R.), 382

Sac and redundant peritoneum, exteriorization and utilization of, in radical treatment of inguinal hernia, 130
Salpingitis, tuberculous, 331
Sarcoma, bone, *x*-ray diagnosis of, by mail (E.), 157
Section, Porro-Cesarean, bloodless modification of, 299
Sinusitis, chronic nasal, and its relation to general medicine (B.R.), 166
Skin clamp holder, 142
clip forceps, 350
diseases of (B.R.), 382
Some observations in calcium fixation, 294
Spine, manipulative treatment of chronic arthritis of, 285
operative arthrodesis of, 341
Spondylolisthesis, 521
Stomach, diet after operations on, 448
Stone, papilloma, and hypernephroma occurring in horse-shoe kidney, 487
Story of a surgeon (B.R.), 590
Studies in paleopathology, XXVIII (B.B.), 587
Suggestion of rickets in the Pleistocene (B.B.), 162
Surgeon(s), physicians and, their mutual relations, 1
story of (B.R.), 590
Surgery, emergency (B.R.), 591
minor, and bandaging (B.R.), 384
orthopedic, treatise on (B.R.), 383
reconstructive, in progressive facial hemihypertrophy, 439
Rose and Carless' manual of, for students and practitioners (B.R.), 382
of the sympathetic nervous system, 8
urological, regional anesthesia as applied to, 325
Surgical goiter, 482
procedures, consideration of, in treatment of malignant disease of urinary bladder, 69
treatment of chronic empyema, 472
Sympathetic nervous system, surgery of, 8

Technic of routine primary repair of lacerated post-partum cervices in primipara, 557
Teleradiographie—Stereoradiographie (B.R.), 594
Telesteroroentgenography, 499
Text-book of gynecology (B.R.), 592
Theory and practice of radiology (B.R.), 591
Therapy, colonic, 496
Third International Congress of Radiology—Paris, July 27–31, 1931 (E.), 375
Thomas splints, improved foot support attachment for, 562
Thrombo-angiitis obliterans, alcohol injection of nerve roots for, 107
Tourniquet, new surgical, 349
Toxemia, intestinal (B.R.), 593
Tract, urinary, tuberculosis of, 308
Traumatic avulsion of tibial tubercle, 577
Treatise on orthopedic surgery (B.R.), 383
Treatment, diagnosis and, of tuberculosis of genital tract, 84
early, of congenital dislocation of hip at the Istituto Ortopedico Rizzoli (E.), 369
injection, of varicose veins, 19
manipulative, of chronic arthritis of the spine, 285
of peptic ulcer, 97
surgical, of chronic empyema, 472
Trendelenburg Position (Bi.B.), 586
Tubercle, tibial, traumatic avulsion of, 577
Tuberculosis of genital tract, diagnosis and treatment of, 84
of urinary tract, 308
Tuberculous salpingitis, 331
Tumors, benign, of hepatic flexure, 573

Ulcer, peptic and appendicitis, chronic differential diagnosis of, 274
treatment of, 97
perforated typhoid, closed by primary enterostomy, 149
Ultraviolet radiations and their uses (B.R.), 166
Ureter(s), complete accidental cutting of, during laparotomy with non-surgical anastomosis, 571
double, interpretation of, 122
Urinary tract, tuberculosis of, 308
Urographic medium, new—emulsified campiodol, 320
Urology in children, 358
Uterus, ovarian graft in, 305

Utilization, exteriorization and, of sac and redundant peritoneum in radical treatment of inguinal hernia, 130

Veins, varicose, injection treatment of, 19

Visualization, blood vessel, new method of (arteriography; veinography; angiography) in vivo, 225

Watson—Williams, Patrick, 166

(Die) Wirbelbrüche und ihre ergebnisse (B.R.), 593

X-ray diagnosis of bone sarcoma by mail (E.), 157

Zoology, elementary, for medical students (B.R.), 384
